A horny woman dishes on what's sexy about younger guys

She's Guy Crazy

I'm 32 years old. For the last 15 years I lived in Las Vegas. I had a small business and made plenty of money, which I stashed most of it away in stocks and bonds.

About six months ago I moved to a small town in the mountains. During the time I was in business, the men I met had me fed up with old men dragging their fat asses, flabby bellies and semi-hard dicks all over me. I made myself a promise that when I "retired," I'd get myself some young stud, with a tight hard body, flat, hard stomach and big, hard dick.

Don't get me wrong. If I met some hot older dude who kept himself in shape, I sure wouldn't say no. But I think I'm entitled to a few treats, now that I've put in my time. I laid eyes on my first hunk the afternoon the movers were putting my new furniture in the house I bought.

He was jogging past the house and he stopped to watch the men unload the moving van. I guess he was about 18 or 19. His legs were getting hairy and starting to thicken up like an older man's, but he hadn't lost all the boyish cuteness in his face.

I came out of the house wearing a tank top with no bra under it and a pair of shorts. They were cut high up the sides so they looked like I was showing more than I really was.

Right away the young hunk lost interest in the movers and the man in him got interested in me. I could tell right then that I still had plenty left to catch a guy's attention, and realizing it got me kind of excited. I walked over to where the kid was sitting cross-legged in the grass near the curb.

"Hi," I said. I crossed my arms under my breasts,

which kind of pushed them up a little so the tops squeezed out of the low scoop of the tank top.

The movers had seen me come out too and I thought they were going to drop my antique dresser when I crossed my arms. I didn't care what they saw, however. They would be leaving the neighborhood with the van in an hour or so anyway.

The poor little guy was struck speechless for a minute, but I knew from experience not to tease him if I wanted him to perform on me like a man. "My name's Linda," I said, sitting down in the grass and facing him while crossing my legs.

I saw the guy's eyes dart between my legs and I knew what he'd seen. The cloth in the crotch of those shorts is narrow and doesn't hide a damned thing when you sit

like that. I'm shaved down there, but there was plenty for him to see. When he shifted his gaze from my pussy to my breasts, I took a quick peek at his basket. His smooth calves and thighs weren't the only parts of him that were starting to thicken like a man. I saw a neat bulge under his nylon jogging shorts. I began to feel little sparks of pleasure flashing around in the pit of my stomach. What I saw looked like the kid was hung beautifully. I like fucking young studs, but only if they've got the equipment of a man. And this guy fit the bill exactly.

"What's your name?" I asked, leaning back on my elbows in the grass. His eyes left my tits for only an instant when he looked up to answer me.

"Dave," he said.

"You sure are good-looking, Dave," I told him.

He blushed and smiled at me. "You are too," he

said.

I tell you, the kid had class. Whether he knew what he was doing or just acted from instinct, I don't know, but he leaned back on his elbows and stretched his legs out in front of him. With a quick motion of his hand he did something to the bulge in his pants. And so help me, the head of a real man's dick poked out of the bottom of the shorts. My pussy juiced up at the sight of it and I could feel the wetness start to ooze into my folds.

I was just about to invite him inside for some lemonade when the head moving guy came over and asked me to sign for the furniture. I wrote my name on the clipboard he handed me, without taking my eyes off the kid. As soon as the men had climbed into the van, I reached out and took Dave's hand. "Let's go inside," I suggested and pulled him to his feet.

The door wasn't shut before the kid was all over me. You want a hot cock? Grab yourself an 18-year-old—or at least someone who thinks like one.

Dave yanked the tank top up over my breasts and starting sucking one like a starving baby. He was working the other one over with his hand, squeezing it and pinching the nipple with his fingers. The kid's pinching and sucking had my nipples hard like bullets. He was biting too, quick little nibbles of tit that were sending flashes of pleasure straight from my breasts to my wet cunt. I hadn't felt so much excitement building up inside me in years. Dave had the instincts of a natural lover.

I reached down inside the guy's shorts and discovered real quick that his instincts weren't the only thing he had that would make him a fucking sex master. The kid was hung like a mule. I jerked on the dick a little, but carefully. A young guy like that will shoot off in no time flat if you're not careful. It was so thick my fingers wouldn't meet around it. And it was long. God was it long! I've read somewhere that a man's penis is full grown when he turns 16, but damned if it didn't seem unnatural to find a dick that size on a kid who was barely shaving.

Dave shifted my tits with his mouth and was pulling on the second nipple, making little popping sounds.

Dave shifted my tits with his mouth and was pulling on the second nipple, making little popping sounds. Each pop was making a flash go off up in my cunt. It was starting to have little spasms and I wanted some action in it so bad I was seeing spots before my eyes.

The guy must have read my mind, because the fucker put his hand down there and pulled the narrow band of cloth off the mouth of my pussy and stuck four fingers in me. He held them stiff and side by side, about two inches inside the slick, wet lips, and started strumming on my kitty like the strings on a guitar. God, was that something! Each time his fingertips hit the head of my clit, a stroke of lightning—just like a little orgasm—went off inside me.

The kid had me going crazy. And I thought I was the one with experience! Heavy waves of passion were rushing through my body. My mind was going blank. I was only aware of the hot pleasure the kid was giving me. I think I struggled a little, afraid of someone—especially a young hunk—affecting me like that, but I could not resist him. He had magic in his fingers.

And he was a demon with his mouth. He was the god of sex disguised as a mere guy. I had set out to seduce a young man to amuse myself, and found myself sinking out into slavery with this beast of passion. "Bedroom," I gasped. "The bedroom!"

I don't remember getting there. Maybe he carried me; my knees felt too weak to walk. On the way he tore off the tank top. I fell on my back across the bed and felt him pulling my shorts away, ripping them to shreds when they stuck for a second while coming down over my butt. I was so deeply entranced by his spell—the fire in his hands, his mouth, his fingers—that I could only lie back helpless, completely at his mercy, and hope that the instincts that drove him to sex would also protect me in his arms.

Through half-closed eyes I saw his huge dick jutting out from the scanty hair of his bush. It looked like another arm; a thick, bulging muscle halfway down its

length, like the muscle of a forearm shaped like the wide middle of a Coke bottle. The head was a hot red fist, smooth and glistening with the spit he was spreading across its width. I gasped and shut my eyes at the sight. My heart was pounding under my breasts.

I remember being thankful that my years of experience had taught me to accept a burning shaft in-side me as big as Dave's dick. I was trembling like a virgin. I felt the fear and desire and fascination for the danger, just the way I had the first time a man fucked me—when I lost my cherry to a teenaged guy like Dave in the backseat of his father's car.

Now, for Dave, I was a virgin again. His giant dick would stretch the walls of my cunt farther than they had ever been stretched. The glistening monster would force itself in deeper than any cock or dildo had ever been before. Spasms of desire gripped me as I trembled and shook all over. Dave shoved a pillow under my ass and grabbed me.

With his arms around my ankles and thighs, he pushed until the backs of my heels were against my ass. He spread my legs as wide as they would go with his shoulders, and dove into my soaking wet pussy. His lips sucked the juice that poured forth and he swallowed; then he went back to the same hot fountain for another drink. His tongue was unlike any other tongue I had ever had inside me. It was rough like a cat's and it scratched my clit, setting me on fire.

I moaned and cried out from the sudden sensations. He's no guy, I thought; he's no man. A tiger is eating my pussy. I'm being devoured by a wild beast!

I humped and screamed and ground my cunt into his face. I wanted him. I wanted him inside me. I felt his tongue, then his chin, then his nose. He bit at the lips of my pussy with his teeth. He ground into me with his whole face. His nose and cheeks and lips and chin were slick with my cunt juice when he quickly crawled up between my legs to kiss me, smearing my stomach and tits with the wet ooze from my pussy and letting me taste my own sex when

His lips sucked the juice that poured forth and he swallowed; then he went back to the same hot fountain for another drink.

he kissed me hard on the mouth and shoved in his tongue.

"Fuck me!" I gasped. "Omgod, Dave. Fuck me with that big dick!"

"I want to be inside you," he said. "I want to fuck you like you've never been fucked."

The guy pushed my legs farther apart and reached down to lift

my ass higher on the pillow. He raised himself up on his knees and stroked his dick, spitting in his palm and rubbing his saliva on the throbbing head. His cock was so hard the skin was stretched tight and shining; the veins stood out dark and angry looking along the length.

I gazed at his dick, fascinated and afraid, determined to get the whole monstrous length deep in my body. I moaned and squirmed, thinking of how it would feel stretching me. I locked my legs around his thighs, thrilled by the feel of his light, downy hair as my calves rubbed against it. I wanted this fucker bad. I wanted this guy's dick inside me badly.

He leaned into me then, holding himself up with one hand and positioning his cockhead with the other inside the wet lips of my cunt. The big cap held the folds apart and pushed in deeper, ramming half the monster into me suddenly. I moaned from the shock of the intrusion, from the sudden straining of the walls of my cunt and from a fear that I had been hurt.

But there was no pain, only the hard, throbbing pleasure of having the lining of my sensitive vagina stretched to its limit. I felt the swollen dick pulsing inside me, held fast in the silken tunnel, the baseball bat lodged at the entrance and touching the fiery tip of my clit. I lay motionless, breathing heavily.

Dave lay on top of me, sucking on my tits and dripping sweat into the channel between my breasts. I was afraid to take the rest of his cock; I was filled to the depth of my being, stretched as far as I could go. I did not move. "No!" I said. "Please, Dave.

You're too big. I can't take anymore!"

He did not answer me. He sucked harder on my tits and pinched them with his fingers. I felt him do-

ing something between my legs with the other hand, and then he drew out a little. With a stiff finger he began to massage my clit, running the finger along the top of his dick to reach the sensitive bud. The effect was ecstasy. Each stroke sent a hot blast of passion coursing around inside me.

I began to bear down with each stroke from pure reflex. Every time he touched my clit my stomach muscles tightened, forcing my cunt to tighten around the shaft of cock, then to relax as he drew his finger away. Soon he was able to push his finger in farther, up to the second knuckle, running it into my hot pussy along the top of the huge shaft.

Before long I was taking two fingers and the biggest cock I'd ever had inside me—or half in me. I was getting fucked by a master, a fucking genius. I wanted the entire huge thing in me and I wanted it now.

I lunged, impaling myself on the giant club, feeling my cunt stretch to the limit, getting my insides shoved aside, parts of me pushed out of the way to make room for that big fucking dick. And I loved it. Nothing hurt, unless you count the sweet, hard agony of having the biggest cock in the world stuffed inside you.

He waited for a while. I don't know where he found the patience except that all the rest of the time he had done just what was right. When my insides had gotten used to the intrusion, he began to slowly stroke the beast in and out. He took it real slow at first. I think if he hadn't waited until my pussy oozed enough juice to slick up the passage, he'd have pulled my insides out with the suction the monster made when leaving me.

As I got slicker inside, he picked up speed until he was stroking that big dick like a piston driving a steam engine. I went out of my mind! I screamed and humped and twisted under him. I clawed his back and sucked so hard on his neck that probably kept him from wearing his shirt open for weeks. If you've never been fucked by a huge dick with a bulge in the middle like a base-

ball bat, you don't know what getting fucked is. It rides and rubs and burns your clit until a cascading orgasm drives you wild. It's like a hard spasm every stroke, and the bulge stretches at the mouth of your pussy in pulses that feel like you're getting rammed with a dick with two heads, one at the end and one in the middle.

I started coming soon after he started the fast stroking, but the orgasm kept coming again and again. That's when I really started screaming my head off. I thought I was dying; I literally thought I was getting fucked to death. I remember screaming "No!" over and over. I was begging him not to hurt me, but I didn't want him to stop either. I kept banging my pubic bone into him as hard as his was banging into mine.

Then he started to come too. He was breathing hard already from pounding me, but his breath started coming in gasps and he began making funny choking noises in his throat. Then he moaned too. He made long, animal-like sounds. His groans reminded me of the tiger I had imagined eating my cunt earlier. His cum shot and shot again and again into me. His dick fit too tight for any cum to leak out until he pulled it free later, but I felt his hot and scalding cream deep inside me. I continued to come with him in hard, solid spasms until at last he fell on my breasts, exhausted.

That wasn't the last time Dave fucked me. He thrilled me with his oversized cock way past the time he was a guy becoming a man. He swore I was his first fuck and I guess I believed him, because the more he did it the better he got, even if that doesn't seem possible.

And Dave wasn't the last guy-man I had between my legs either. Some were not as good as he was, and maybe one or two were as good; one was maybe even better, but that's another story. I wanted to tell you about Dave because I remember his sweet fucking most of all. It

was like losing my cherry for the second time, and that sure is saying something from someone as experienced as me.

I SHAVED IT ALL OFF BECAUSE YOU LIKE IT THAT WAY

MOUTHS AND PUSSIES AND COCKS, OH MY!

HEAD SHOP HIJINX

I'm constantly dating myself by referring to my business as a "head shop." The part-time help, Alice and Sarah, were unfamiliar with the term when they started working here.

"Head shop?" Alice had asked me on her first day. "What in the hell is that?"

Sarah had been equally clueless. "Sounds like a wig store," she had chimed in.

As their Gen X boss, I had taken it upon myself to tell them a little bit about the good old days.

"Heads," I had explained, "are 'cool' people. You know, people who like to party. They're the same folks who shop here now. We just don't call them 'heads' anymore."

"So," Alice had replied, "yesterday's 'head shop' is today's 'smoke shop' . . ."

"Exactly," I had said, happy to have given my millennial charges an important history lesson.

Now, some three weeks later, I sat behind the counter staring through storefront glass. Pedestrian traffic was heavy, a colorful mix of students, self-styled bohemians, and professors. The

smoke shop's prime location near the college was great for people watching and even better for business.

Still, the job could be awfully confining. I often felt chained to the cash register, especially on days when Alice and Sarah were working in the backroom.

Today was one of those days.

This morning we had received a large shipment of bongos; the girls were plenty busy unpacking the newly arrived inventory.

At least that's what they were supposed to be doing. Alice and Sarah weren't exactly model employees. Granted, I hadn't hired them for their retail acumen. They were eye candy of the sweetest variety and I liked having them around. They livened up the place, not to mention my imagination.

I suppose this makes me a dirty old man, but I don't give a damn. My store, my rules . . .

And rule number one was no smoking in the backroom.

I could smell it, the telltale scent of weed. Shit, I thought. Alice and Sarah were trying out one of the new bongos! Right here in the store! Didn't they realize that pot was still illegal in this state?

Throwing up my hands in despair, I sighed wearily and hastened to the

backroom. As expected, Alice and Sarah had fired up a new bong. To their credit, they had opened the back door to provide ventilation.

"Good grief, you two," I announced my presence. "What in the hell . . ."

"Oh, shit!" Alice said.

Sarah, coughing and freaking out, almost dropped the smoking bong. "See, Alice. I told you he would smell it."

I had a good mind to fire them. Hell, I probably would have if Alice hadn't offered to suck my dick!

Having lowered my chinos and shorts, a crouching Alice licked my cock from base to flared cap. She did this slowly, expertly, confirming my suspicion that she was an avid cock gobbler.

"Wow," Sarah said, having gotten over the initial shock of her friend's bold move. "This is hot."

I looked away from Alice long enough to watch Sarah remove her T-shirt and bra. She had a smallish set of perky tits which she fondled with both hands.

Meanwhile, Alice had stopped licking my shaft to focus on my balls. Stroking me with one hand, she sucked my nuts, feasting on my sack with slutty exuberance.

Sarah, having tired of playing the spectator, joined the fray by kneeling beside her friend. She moved Alice's hand from my cock and put her mouth to work.

Having one millennial mouth on my schlong, the other on my balls—well, let's just say that I was feeling damned fine. As a forty something man, I had certainly hit the jackpot with these two.

No doubt the weed had made Alice and Sarah extremely horny. In this respect, I was glad that they had broken the rules. Otherwise it would have been just another humdrum day at the store.

Our backroom party continued with me placing my hands atop Alice's head and fucking her face; this while Sarah eagerly awaited her turn. It wasn't long before I withdrew from Alice's mouth and plunged my cock into Sarah's. I grabbed a handful of her lustrous auburn hair and hammered her maw, my prick cap pressing the back of her throat.

Eyes tearing, Sarah gagged as I reached the point of no return. I withdrew and jerked my prick, tugging and tugging until the inevitable explosion. When all was said and done my hard partying employees had cum, lots of cum, all over their youthful features.

They say two heads are better than one. Thanks to Alice and Sarah I would have to agree!

HERE HAIRY KITTY KITTY

I'm writing in mock complaint about all those bald pussies you show in your magazines. That's just not how it is out here in the real world and you should know that. Not every pussy is clean-shaven or has a landing strip down there. There are many men that like hairy pussies and I'm one of them. There's nothing like the aroma of a hot, sweet, wet and hairy pussy. The pleasure and the taste is like nothing else on this planet, or any other one!

I called my beautiful girlfriend one day and told her to please do me a favor, stop shaving down there, stop trimming down there. Now she's got one of the hairiest pussies I ever had the pleasure of licking or fucking. She thought that request was a little weird and she refused at first. I told her that I was a little weird and that I wanted to see how far it would grow.

It took a while for her to agree to try it, but eventually she gave in. I had to convince her that I loved the funky smell that's trapped by the hairs and it's that musky aroma that's such a turn on. A point to my side was when I told her I would stay down there longer and lick her as long as she wanted.

I knew the thought of oral orgasms would entice her to see things my way. I'd ask her daily to tell me how her pussy hair was growing and to make sure she was not trimming it. On month three, I went to work, but no matter how I tried, I could not concentrate on anything. My dick was getting hard just at the thought of the smell of her hot, smelly, wet pussy.

Time to get off work. I called her up. I knocked on her door and she opened it with nothing on but white cotton panties and an impish smile that told me volumes. I threw my briefcase on the floor and she pulled me through the living room and into the bedroom.

After stripping down, the first thing I did was to bury my tongue in her mouth drinking her in. I laid her on the bed and immediately opened her legs and slowly pulled down her panties, revealing the bush I was craving. I had asked her not to play with herself and I wouldn't play with mine either, so when we finally hooked up it would be more intense.

Now that time had come and I didn't know how long I could control myself. So, I asked her if she was sure she didn't play with her pussy? She said that she had been a good girl and needed to be eaten, now!

I got low and looked closely at

the moist damp hair on her pussy to be sure she kept her promise. There was juice in her hair

and dripping out of her pussy and by that time, I didn't know where the fuck I was, I only knew pussy. The aroma made me moan as I took as much of it in as I could. I used my finger to open her pussy and I couldn't believe how wet she was. I soaked my fingers and placed them in my mouth and tasted her aroma and the sweet taste of her now hairy kitty. My dick was aching and my brain was under pressure to keep calm and not rush anything.

I licked it slowly and she was overcome by the pleasure. I realized that some of her pussy juice was dripping down towards her butt hole. I sensed my lady's body was so stressed and it was my aim to relax her sweet ass right to sleepyland, but not before she gets the fucking of her life. My dick was dripping tons of pre cum, and she was sweet enough to clean it up with her lips. The cum was stringing from my dick to her lips and the sight was too much to take.

I laid on the bed and asked her to slowly put her pussy on my face. Before it reached my mouth, her pussy was dripping from her excitement as I licked her hair and swallowed her pussy juices as the aroma went into my nose. By now, her pussy was beg-

ging for my cock. Her ass was facing me as I saw my cock go deep inside her sweet wet kitty.

I was never known for being a two-minute-fuck, but that day I broke all records by cumming in a minute. She cried out as we were fucking like monsters. Fortunately, I was so hot and excited that I didn't get soft and was able to load her pussy with my warm cum.

As I write this letter and reread it, I'm thinking it may sound a little weird (I told you I was) to a lot of people, but I only ask that you take a moment and think about it. Besides, my girlfriend told me she had not only saved money and pain by not waxing, but the razor burns and stubble are gone.

In the end, she said she would keep the bush just for me, but she would like to trim it back a little so she wouldn't have to worry about hair popping out of her bikini bottom. For this glorious pleasure, I agreed and we've gone on to have some of the very best sex in our lives.

— James, livin' and lovin' in the bush

AH, THE KITCHEN

I was fooling around in the kitchen with my neighbor Brooke, when her roommate Faith walked in on us as she was giving me head. Without

stopping, Brooke motioned at her to get out, but I met Faith's eyes and smiled at her. Later that weekend, I was in their kitchen again getting something out of the fridge when Faith showed up in nothing but her bra that barely covered her rather large boobs. She let me know that I couldn't just come over anytime eating her food, drinking her drinks, and not giving her any 'action.' Faith gets hold of me and takes me to the couch. Amid my weak protests she pulls down my zipper and pulls out my cock and starts sucking it.

Meanwhile Brooke was in her room probably wondering why I was taking so long. She came down the stairs and heard all the moaning and walked in on me balls deep in her roomie. This time, it was more than enough for Brooke to hop right into the action and share my cock with Faith. This was the first time this happened although I had been hoping it would ever since I first hooked up with Brooke.

ADELA and ANETTA

The dildo gods blessed us and these two today. They delivered two rather large vibrators for Adela and Anetta to test. Right away they realized that the fit was perfect. Seems like the gods knew exactly what each girl's pussy needs. The gods only asked for them to make a product video.
